### Refund & Cancellation Policy

If, for any reason, an ATOP registrant is compelled to cancel participation in a specific ATOP class, the following policies will apply:

- WHEN CANCELLATION NOTICE IS RECEIVED **MORE THAN FORTY-FIVE DAYS** PRIOR TO CLASS DATE, the enrollee will receive a full refund of any course deposits.
- WHEN CANCELLATION NOTICE IS RECEIVED **WITH LESS THAN FORTY-FIVE DAYS** PRIOR TO CLASS DATE, the student will forfeit the entire deposit.

**EXCEPTION:** IN THE EVENT A PARTICIPANT MUST CANCEL FOR ANY REASON, IF THAT PARTICIPANT CAN PROVIDE US WITH A QUALIFIED U.S. PILOT AS A REPLACEMENT AT THE TIME OF CANCELLATION, ONCE THE REPLACEMENT HAS PAID THE COURSE FEE AND COMPLETED THE ATOP, THE CANCELING ATTENDEE WILL RECEIVE A FULL REFUND. THE BURDEN OF RECRUITING A REPLACEMENT IS ENTIRELY WITH THE CANCELING PILOT.

**NOTE:** A POSTPONEMENT of a class date is considered a CANCELLATION!

### Contingencies

The airlines, under certain rare circumstances, may compel cancellation or the postponement of the ATOP due to facility demands by the carrier. In such cases, all fees will be refunded. Options will then be provided to the student. Although highly unlikely, the airlines reserve the right to substitute simulators (i.e. a B-757 in lieu of a B-737) and/or reschedule simulator time on DAY TWO pending simulator availability.

**ATOP, Inc., and the Training Facility assume no responsibility or liability for costs or inconvenience due to cancellation or rescheduling, including travel change fees.**

<b>Acceptance</b>	Participant's paid registration confirms acceptance of the above-referenced terms, conditions, and refund policies which were explained at the time of registration.
